I have been discriminated against due to not being able to compete in the business competition due to being homeless ~~both myself and my family~~.

I have repeatedly been told I can not use any of our 3D printers by multiple members of staff and instructed to use outside printing services from Shapeways. I came up with many possible resolutions and all were laughed and I was instructed to give my money to SHAPWAYS. For very very high costs and Maria Kickback money. ~~My money was taken and I was told I was not allowed to use the 3D printers~~

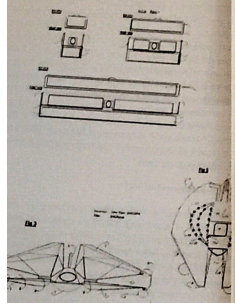

It was made impossible to take classes that were offered due to illegal aliens registering and booking classes and taking Americans education. Money again. and allowing reparations are not made financial and new financial to correct the corruption and new financial in Superior Court. This sick behaviour. immediately I will file in Superior Court

Italian Mafia that are all Indies Peoples », All dark Turkish and dark hindi and israeli and any other indies person that pretends to be from Europe. The Italian Government is now believed to be involved in mass genocide on the White europeans there in Italy from families that come from Rome and Etruscia. And who are all being replaced by North africans (Indians) israelis (Indians) Mexicans (Indies) These Indians also love FAKE TRIALS TO SET NEW STATUTES WHERE BOTH PARTYS AND THE JUDGES ARE ALL IN ON THE SCAM!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! DESTROYING OUR GOVERNMENT HERE Joseph Spero just passed a few more fake statutes from fake trials where both partys are making new laws from cohoured scripted trials in federal courthouses. EUROPE was easier THEY WALKED INTO A SHENGEN OPENED SOCIAL SYSTEM OF PASSIVE EUROPEANERS AND ABUSED AND KILLED OFF (even with covid phlegm drownings of our people). AND HUNTED AND NOW CANIBALISM ON OUR PEOPLE IN EUROPE- AMERICA WAS MUCH HARDER TO GET INTO.

Were Bill W and DR bob masonic members of the occult from the royalty and used these OXFORD GROUPS and ALOCHOLICS ANNONYMOUS as Occult initiation for the 'weak minded' and 'lost' from thousands of years of our history being destroyed by these masonic occult members from the indies in our european lives causing ongoing genocide on the masses and never taking accountability through secrecy (aka, being big indies pussy's). Are these triangle masonic groups to monitor the ones that were put into this hindis caste system after they stole every thing from them? Are they qualifying the retarded? How are their no brochures or information on Occult Awareness at any intergroup or AA awareness centers, or the prosecutors in san Francisco and other citys that use to prosecute the occult? What happened to all these resources? I have been searching for a occult awareness network for over a decade and I can not find one. This is indian scams on us to genocide us more. From their indies and African temples.

The War Assets Administration (WAA) was created to dispose of United States government-owned surplus material and property from World War II. The WAA was established in the Office for Emergency Management, effective March 25, 1946, by Executive Order 9689, January 31, 1946. It was headed by Robert McGowan Littlejohn.

Predecessor agencies of the WAA What companies were sold to indies with the NSA? Was the CIA ever owned by americans or just jews from britain?

Why the fuck has the FBI and the CIA and the NSA been stalking me since Nino Martinicos friends George Bush sr. and Ronald Regan continuously visited us on Staten Island at the Shalimar Venue. Answer = Because we were such a secure american neighborhood at the time they felt safe there, and they were however we were being targeted by these security companies underlings and in my belief the same group of genocidal maniacs that have been sabotaging europeans and their friends globally for eons, since possibly the fall of Troy. But I would not know the police have been reporting these crimes to for over a decade do nothing so in thinking most of these federal agents are either genocidal indies people (all indians are indigenous to the Indies) or masonic redcoats from France and Britain that want to send americans to the nazi guns again. WHY WERE ALL OUR BATTLESHIPS TARGET SHIPS AND SUNK BETWEEN WW1 and WW2? Predecessors of the War Assets Administration ~ WAA after our demise in WW2 ~ Petroleum Reserves Corporation (PRC), Reconstruction Finance Corporation (RFC, June-July 1943) ~ PRC, Office of Economic Warfare (OE, July-September 1943) ~ PRC, Foreign Economic Administration (FEA, September 1943-September 1945) ~ PRC, Office of War Mobilization and (SWPA), Office of War Mobilization (OWM, February-October 1944) ~ Surplus Property Administration (SPA), OWM (September 1945-March 1946) Reconversion (OWMR, October 1944-September 1945) ~ Surplus Property Administration (SPA), OWM (September 1945-March 1946)

Functions, Below are a few examples of surplus assets distributed by the WAA. Agricultural machinery [3] Aircraft, built for military transport, purchased by airline carriers for commercial use [4] [5] ~ what airlines were these dealing with the masons? Artillery factory, then converted by the new owners to produce electrical cords [6] ~ where was the metals and rubbers coming from for these electrical cords? Books [7] [8] ~ what the new owners to produce manuals for einstein to understand physics? were these books on assets owned by th emilitary? were these books on military spendings? Coal [9] does this mean the WAA sold 9 of our coal mines to redcoat masons? Fabric [10] ~ are these entire textile plants and manufacturing factories? Care these inclusive of camouflage? Classified Altered fabric from ambient conditions? Classified Space suits. Materials? Classified SubSea classified materials and textiles? Classified Subterranean suits? Classified Space mining suits. Fabrics? Classified Nano membranes? What fabrics were these owned by our military? Have these lowlives been mining the moon since WW2? The moon is composed of the same materials as earth. Why has this been kept secret from americans and europeans? Why the fuck arent we killing each other on the moon? This is very racist to europeans and americans. These are Genocidal maniacs. Most of these companies that bought these items were foreign nationals owned. Are these african and indies 'Men in Black' too much of pussies so they keep the moon mines secret. Are they hiding behind their mothers at the NSA? And we cant go to our moon properties we bought through the 1950's till today?

Factories built for war-time production, purchased by their lessees to continue production for civilian trade [11] ~ which factories? who owns them now? what's their history? Gliders [12] what gliders? we had advanced military gliders we never used? Just for the seals who were bought by the NSA and INDIA? Not for us americans?

w do all these brown indies people and African people claim European last names? They commit

ocide and call it mafia or civil unrest or gang problems so they do not have genocide charges pressed

them. These people are not from Europe these people are here and in Europe in force since the

ginning of the 1900's when Bremen for over 30 years decided not to keep international records on

migrants and passengers. When don't the Germans keep records? Are they actual europeans or

gies and gypsies determined to squat and commit genocide on hard working societies?

all the indies nationalists that came through Africa after the year 1000 commit genocide where they

ttled along Rwanda and through to the Ivory coast and up to Morocco now. Those are indies in Africa

using problems not the Swiss business men trying to give good deals on mineral resources. These are

die genocide kings. An di believe these people in the centurion foundation with Frank Girardi, Herbert

cidents causing great problems in my life since im a child when my first repeated interactions with

members of the US government were secret service personnel visiting our venue repeatedly through the

970's and 1980's. I also have a ton of interaction with the FBI since my biological family members in

he Colombo crime family started a war in 1992 and then ran to the cops when they realized they were

fact a bunch of neolithic thinkers that should in fact be held in suspension somewhere between the

dirondacks and rocky mountain ranges or sent to the firing squad. But who did in fact continue

working with illegal factions in our own government selling drugs and removing people from society that

do not want any product from any indian nation sold in their lands especially narcotics and oil which the

ndies people including genocidal Zelensky keep running to an insisting its indies land for the drugs and

all resources.

I have complaints into the NYPD organized crime division from over 10 years ago. And after I was forced to leave NYC from gang stalking and violence from members of my biological family all with french Hindi roots, claiming European heritage and genetics and constantly committing genocide on mixed family and community that are not Hindi/indies blood.

I have ongoing complaints to the FBI in person and over the telephone for crimes of genocide being committed on me since im a child and over 6 online reports at ics.gov for IP theft , writing theft, and inventions.

Most recently I was a victim of 2 jihadist attacks in France between mar 2021 and feb 22 2022 in Paris on saint Michele Blvd. where eth police at the 14th arrondonsimont are also drug dealing indies and Saudis covering up multiple reports of harassment online fraud , business sabotage and the like. I was also accused of stealing from a 7-11 today the 15th of march. The location is the corner of Madison ave and 34th street. Another desert caste system member accused me of stealing a few days before when it's obviously on video where I placed the item in question on the day of Monday march 13th by the indies owner when I did not steal anything. the indies always accuse white people of stealing as their on all our land depending on European and Asian economics completely stealing everything from us and accusing us somehow of being thieves when they steal everything from us. If I had taken a sandwich or whatever these treasonous genocide people are claiming now(which I did not) it would at this point be considered reclaiming our property from the same indies caste members that downed our twin towers of free trade and in place put pyramids in glass from the same pyramid caste system members from the indies that killed thousands of our citizens that day. And now we all get to look at caste system pyramids at the ne "freedom" tower built by the same people that burned our friends and family and community members alive in the twin tower attack.

How do we remove these people from our government and place them back in our neighborhoods with the kids they killed from all their drug wars and slave trading and indian genocide on europeans (without their licenses to commit genocide)? Why do all the Jews massed agents (Jr. Massad) in the COLOMBO CRIME FAMILY keep doing genocide to us europeans here in the USA? Also shows proof of intent with the moroccans sweeping across africa and using an alexander move of hammer and anvil on europe for thousands of years, after WW2 the indian influx in Spain and France in unbarable and the replacement of europeans by murder and kidnapping and other means is horrific by these indians with our technology in our government and with caste system temples in the indies backing them the whole time. Don't forget the americas were formed mostly by outlawed bandits and pirates from the indies and south asia, Native american indies are mostly MONGOL HORDES or the GOLDEN MONGOL HORDES who in actuality hold our gold and couldn't give a fuck about the land either. The indians destroy everything they touch and blame europeans for every environmental hazard they cause including somehow KUKUSHIMA which is somehow Trump's fault according to the Genocidal dog brained indians who are indigenous to the indies an d Mongolia and who in my belief use the big piles of stones in Mongolia to denote treasures they HORDE or our european monies. I believe money and land from these people are marked by weight of stone somehow and it denotes loss over time in accordance with cost of housing the gold and other precious materials. The wind erosion somehow according to them matches up to the cost of housing all these worthless shiny metals called precious metals. Like most long standing institutions on earth, I believe they rely on these stones to mark the global economy from maybe 10,000 years ago. I also think there is a possibility that this might be a sick game of mahjong being played over long time by ancient rulers

I like to call them " JEWS FOR MONEY" -or- "Hindis for Money" all indian con artist, lowlife, scam loser shit done repeatedly to europeans for over 5 thousand years ~~~~~My notes have been turned into mac readable somehow on my Asus windows machine these are more problems that happen out of the blue all the time .. that was just today Feb 20 2023. My Previous note on Genocide by indies people in the united states (Large amounts of genocidal information committed by indies peoples) and north america were removed from my computer without my consent over the weekend, possibly the wartail committee with my Jewish massad family in the Italian Colombo Crime Family( no Italians just Israelites, north africans, Hindus and Saudis all pretending to be Italian descendants >Mass crimes done to europeans in america by these indies peoples (false Italians all military insurgents committing crime on europeans under the guise of gangs instead of genocidal maniacs.). Probably the reason they would not let bussy seagel get involved with the Assassination/assassination attempts to Adolf Hitler...I believe people in my family were replaced by these north africans and Jews during the early 1900's either in Italy before boarding the ship, possibly on the ship they were moved somewhere else or killed and replaced along with the possibility of mass replacement in the united states which seems less likely. The most probable would be the genocide in Italy or on the ships where the bodies were replaced by indies people from Israel, Saudis, Hindus and any other indies person wanting a more advanced european life, probably replaced and slaughtered tons of europeans to fill our streets with indians, all the while making us suffer with their wars between indies arabia (which is still owned by europe technically but the indies thieves say it's theirs and call themselves arab instead of filthy genocidal indians. ST Johns fortresses were all built on european deserts.) That's what fucking disgusting thieving niggers these indies peoples are.>Chiefs of north america know for eons about the americas and killed us here for thousands of years of genocide against European people and their descendants.

These crimes to me are being committed by my family working with intelligence communities and the Italian mafia stars that are with the Sopranos who are a bunch of their indies friend that pretend to be from Italian origin and kill off every white person they can as americans so

These are my inventions I thought up with a 7<sup>th</sup> grade education from constant attacks from neolithic and Hindis in my biological family. I am starting to talk to other countries besides L for a citizenship since these crimes keep continuing. I am going to put my mind into the que an weaponry to protect myself from the terrorists in the US government and french /British governments. I am tired of caste system societies committing genocide on us. I plan on goir with the entire Indies Nation if this genocide is not addressed formally in international court.

I also informed members of the medical community that schizophrenia is caused from too m going to the brain hardware for too long, and to regulate this because I have my education a people's education hijacked by indies nationalists and Hindis for the past 40 years and have a laboratory or medical experience in learning to contribute.
